

LUNCH GROUP BOOKINGS

Thank you for thinking of Singapore House for lunch for your upcoming group event.

During week days, all group bookings of 12 or more during lunch are asked to either select a banquet option or organize a 'pre'order.' If you would like the pre-order option, we ask that this is emailed to us by no later than 10:30am on the morning of your event. Pre – ordering is only available for groups up to 30 (anything greater than this number is asked to be on a banquet)

***Kindly note pre-order is not available for groups of 12 or more during November/December (all groups of 12 or more are required to select a banquet option)**

When pre-ordering please ask each person to specify which menu item is being ordered (Street Food, Larger, Lunch Selections) as they vary in price and sizes.

Billing

Singapore House does not offer split/itemized billing and ask to take one overall bill where possible. For large groups who do wish to split payment and are using a pay as you go system for drinks, we ask that one person is delegated/responsible for collecting payment and this can be processed on arrival

Drink Purchases/Options

Singapore House offers either table service (where drinks are charged on a consumption basis to the table) or alternatively drinks can be purchased over the bar by guests individually. If you wish for your guests to purchase their drinks up at the bar individually, this must be notified beforehand

We thank you for your cooperation and look forward to your lunch group booking. If you have any further queries, please do not hesitate to contact us
